- Badge round-up

Respect, Responsibility and Really Good Manners.

Dear Parents and Carers,

In Year 2, we teach children the knowledge and skills they need to stay safe, be kind and make good choices online. These lessons help them develop confidence, digital awareness and positive behaviour for life.

Working together for a safer, kinder internet.

Greenacres Primary Academy

Our Online Safety Lessons in Year 3

At Greenacres Primary Academy we learn how to be safe, kind and confident online.

Greenacres Primary Academy

Learn • Grow • Belong

Be kind online like we are offline!

Respect Our Words

- Be kind and polite when we chat online.
- Think before we post.
- Understand that our words can affect others.
- Stand up to unkind behaviour and tell a trusted adult.

Stay Safe Online

- Keep our personal information private.
- Use secure passwords.
- Know what to do if we see something that worries us.
- Tell a trusted adult if something feels wrong.

Be Responsible with Technology

- Use devices sensibly and for the right reasons.
- Look after our school and home devices.
- Understand screen time and take healthy breaks.
- Follow our school's online rules.

Think and Check

- Ask questions about what we see online.
- Know the difference between real and fake information.
- Look for trusted sources.
- Be curious but also careful.

Be Kind and Inclusive

- Be a good digital friend.
- Include others and respect different opinions.
- Report unkind behaviour.
- Make the internet a happier place for everyone.

Learn and Grow

- Understand how the internet can help us learn.
- Explore new things safely.
- Use online tools to be creative and positive.
- Keep learning about how to stay safe as technology changes.

Respect **Responsibility** **Really Good Manners**

A safer, smarter, kinder online world – together!
